Dear Stakeholder/ETD Providers/Learners,

VERIFICATION VISITS – 2010

The HWSETA planned to implement 4 cycles per financial year (01 April to 31 March) where the ETQA: Learner Achievement Sub-Division conducts verification visits nationally. The verification cycles were planned as follows:

1. 4th Cycle – February/March 2010 (2009/2010 Financial Year)
2. 1st Cycle – May/June 2010
3. 2nd Cycle – August/September 2010
4. 3rd Cycle – November/December 2010
5. 4th Cycle – February/March 2011

Unfortunately due to the 2010 Soccer World Cup, there are various factors that have impacted on the verification cycles. The HWSETA has taken a decision to postpone the February/March 2010 verification cycle, and will conduct Verification and Monitoring Visits in April/May 2010.

The HWSETA will notify you of future developments regarding the other verification cycles. Please visit our website frequently for updates on the verification visits.
