**POSTPONEMENT OF THE OCTOBER 2020 EXTERNAL INTEGRATED SUMMATIVE ASSESSMENT (EISA) FOR
OCCUPATIONAL QUALIFICATION: HEALTH PROMOTION OFFICER
SAQA ID: 94597**

To : Skills Development Providers (SDPs) and Assessment Centres

This letter serves to advise all SDP's and assessment centers that the EISA for the occupational qualification, Health Promotion Officer that was to be written in October 2020 is being postponed to **25 March 2021** due to the pandemic caused by the corona virus.

In the interim, all SDP's and assessment centre's should note the following:

1. Ensure that their learners are registered with QCTO and contact the QCTO directly for further enquiries related to the learner uploads and registration
2. If the SDP has learners ready to write the EISA but are not yet accredited as an assessment centre, they need to apply directly to the HWSETA to nomsam@hwseta.org.za not later than the 16 December 2020 stating the number of learners registered.

Note: The HWSETA encourages assessment centres to confirm registration of their learners with the QCTO as the HWSETA is not liable for the registration of learners

Yours Sincerely,

.....
