Date : 20 October 2026

Subject : Amendment of the External Integrated Summative Assessment date for Occupational Certificate: Health Promotion Officer, SAQA ID 94597

Dear HWSETA Stakeholder

This communiqué serves to inform all relevant stakeholders of the amendment to the date of the External Integrated Summative Assessment (EISA) for the Occupational Certificate: Health Promotion Officer, which was initially scheduled to take place on 05 November 2026.

The EISA has been rescheduled to **12 November 2026**. This postponement is necessitated by the National Local Government Elections scheduled to take place on 04 November 2026. The amendment is intended to facilitate the smooth administration of the EISA and minimise potential disruptions associated with the elections.

Skills Development Providers (SDPs) are requested to inform all affected learners of the revised EISA date timeously to ensure that they are adequately prepared for the assessment.

Your cooperation and assistance in communicating this change to all affected learners are appreciated.

Sincere regards,

20/10/2026
