RPL CAPACITY BUILDING

Dear Skills Development Provider,

Skills Development Providers (SDPs) that fall within the scope of the Health and Welfare Sector Education and Training Authority (HWSETA) are hereby invited to participate in the Recognition of Prior Learning (RPL) Capacity Building Project.

The project aims to strengthen the capacity of Skills Development Providers to effectively implement and manage RPL processes in line with national policies, quality assurance requirements, and best practices. Through this initiative, participating providers will gain knowledge and skills to support learners seeking recognition of their prior learning, knowledge, skills, and workplace experience.

The capacity-building programme will cover, the following Unit standards:

12544	Facilitate the preparation and presentation of evidence for assessment	**NQF Level 4 Credits: 4**
117874	Guide learners about their learning, assessment, and recognition opportunities	**NQF Level 5 Credits: 6**

Eligible Skills Development Providers are encouraged to nominate relevant officials involved in Facilitation, assessment, moderation, and quality assurance to participate in the project.

The nominated officials must have Assessor and Moderator Unit standards.

1. **Only 2 participants per SDP**
2. **Only online registrations will be considered**

To confirm your participation, please use the link or QR code provided below to complete your RSVP booking.

Important: RSVP booking is compulsory to secure your place in the training programme.

We look forward to your participation as we strengthen knowledge and capacity in Recognition of Prior Learning (RPL).
