

EXPRESSION OF INTEREST LECTURER DEVELOPMENT PROGRAMME: BURSARIES FOR COLLEGE LECTURERS 2025 - 2026

The Health and Welfare Sector Education and Training Authority (“HWSETA”) invites all registered Community Education Training (CET) Technical Vocational Education and Training (TVET) colleges, Nursing Colleges, Regional Training Centres, and Emergency Medical Service College’s Colleges to participate in the implementation of Bursaries for college lecturers for 2025-2026.

Details of the Lecturer Development Programme

The college system, lecturers in TVET colleges, nursing colleges, community education colleges (CETs), agricultural colleges, emergency medical services colleges, and regional training centres are all included in the bursary lecturer development programme for the health and welfare sector. The HWSETA aims to improve the quality of education in these institutions by offering training on NQF-aligned professional courses to lecturers and education managers responsible for curriculum implementation. Colleges can apply for the following skill sets:

1. College Lecturers: Full Qualification NQF aligned:

Programme	QA Body	SAQA ID	Credits	NQF	Duration
Advanced Certificate in Education (ACE) in Curriculum and Assessment	Accredited South African Universities and universities of Technology	20473	120	6	1 year
Diploma in Higher Education or Further Education and Training (FET) Teaching Diploma		115512	120	6	1 year
Postgraduate Diploma in Education (PGDip in Education)		21484/90646	120	8	1 year

In this category, colleges have the flexibility to select courses accredited by universities or universities of technology that align with their specific needs. Lecturers should pursue a professional qualification that enhances their credentials, particularly those who hold an academic qualification but lack a teaching qualification. Furthermore, lecturers can opt for a specialized teaching qualification, which includes:

- **Disability Studies in Education and Training.**

- **Education and care of learners with severe to profound intellectual disabilities.** •
- **Teaching learners with visual impairment (low vision and blind) • Navigating D/deaf and hard hearing education and training**

Qualifying Criteria

- Only persons that are permanently employed by the college may qualify for the grant.
- The training institution through which the learner will complete their studies must be fully accredited against the relevant qualification by the relevant Professional body, council or ETQA (In the case of Formal courses).
- Private colleges must produce proof of registration as a training institution.
- The Registration status of the organisation is valid at the time of application and throughout the implementation of the project. A copy of CIPC Registration indicating status of registration not older than a month at the time of application (Only applicable to Private providers).
- Colleges that are within the Health and Social related qualifications will be prioritised.
- Formal courses will be prioritised over the non-formal courses during allocation.
- The HWSETA will apply its discretion using several factors such as how the employer implemented the programme or any HWSETA programme previously.
- The HWSETA will conduct site verification visits at its Discretion prior to Approval/Payment of funds.
- All applications must be submitted on the SETA application portal by the due date in line with the requirements of the grant as indicated under details of the funding, and all the required attachments accompany the application.
- All learners must commence the Lecturer Development programme within the 2025-2026 financial year (1 April 2025-31 March 2026). Failure to do so may result in the withdrawal of funding. No learners over the age of 60 will be accepted.

The HWSETA reserves the right to withdraw the approval if:

- The information provided in the application form is not true and correct; or
- The College does not adhere to any of the requirements laid down by the HWSETA.
